九、任务型阅读 阅读下面的短文, 根据文中信息完成表格。
(本大题共 5 分, 每空 1 分)

Now many students have a problem. They are getting fat because they do little exercise. Some of them spend too much time watching TV or playing computer games. Some study for much time and they don't have time to exercise. A report says it takes many middle school students about ten hours a day to sit. Also having too much sweet food or drinks makes them fatter.

Do you want to be healthy and slim? Let me tell you how to do it. It's very important to do more exercise and eat the right food. You don't need to do exercise all the time. When you go to school, you can just go there on foot every day. Help your parents do some housework on Saturday and Sunday. Don't eat the fast food any more, such as hamburgers, cola, and chicken and so on.

Remember there are many easy ways to help you keep healthy. Just do it!

	Title: The problem of students
Reasons of getting <u>1</u>	● Not do much exercise, but watch TV or play games too much ● Study for a long time and have <u>2</u> time to exercise ● Not eat the right food to keep healthy
<u>3</u> of keeping slim and healthy	● <u>4</u> to school every day ● Help parents do some housework at <u>5</u> ● Keep away from the fast food, such as hamburgers, cola, and chicken and so on.
